Dear Sir/Madam,

the Contracting Authority, in accordance with the provisions of Part III of the Procurement Documents and pursuant to Sections 98 of Act No. 134/2016 Coll., on Public Procurement, as amended (hereinafter referred to as the “Act”), hereby provides this explanation of the Procurement Documents.

The explanation of the Procurement Documents is provided by the Contracting Authority in the same manner as the Procurement Documents for the public contract was provided, i.e., by publication on the Contracting Authority’s profile.

Request for clarification of the Procurement Documents dated 20 November 2025

(request was delivered after the deadline pursuant to Section 98 of the Act)

Question:

Hi Eva,

Can you confirm what datatransmission you need on the sensors ?

Do you need automotive ethernet (1000BASE-T1) or standard (100BASE-TX)?

Kind regards,

Answer:

Although the request for clarification of the Procurement Documents was delivered after the deadline set out in Section 98 of the Act, the Contracting Authority, in accordance with Section 98(3) of the Act, provides this explanation of the Procurement Documents.

In response to the inquiry, the Contracting Authority states that it has not specified the type of communication interface required for any lot of the public contract. The technical solution of the offered subject of performance beyond the parameters set by the Contracting Authority is left to the contractors.

In Ostrava on the date of electronic signature
