The contracting authority, in accordance with the provisions of Article 12.3.6, Section C, para. a) of the Rules for Applicants and Beneficiaries - General Part, Version 5 of the Operational Program Research, Development and Education (hereinafter referred to as the "Rules") decided that

excludes

tenderer **Pi Innovo LLC**, 47023 Five Mile Road, Plymouth MI 48170 United States, ID No: 20-5693756 (hereinafter referred to as the "participant") from further participation in the tender for the above public contract and announces the exclusion of the participant by publication on the contracting authority's profile in accordance with the provisions of Art. 12.3.6, section C, para. 12.5 Invitations to tender (hereinafter referred to as "Invitation").

Justification

According to Art. 4.2 of the Call, the Contracting Authority required that the bid price for the entire performance of the public contract be stated in Czech currency.

The bid price of the participant was set in USD in all parts of the bid, which did not meet the conditions set by the client. As the terms of reference did not contain a method for converting the bid price, it is not possible to convert the bid price into Czech currency and to correct the discrepancy properly.

On the basis of the above, the contracting authority excluded the participant from further participation in the tender in accordance with the provision of Article 12.3.6, Section C, para. a) Rules.

In Ostrava on 17th October 2019
